

Interested in Sponsorship?

Our focus:

The focus of massFM is to support those who manage floodplains or engage in related professions in and around the Commonwealth of Massachusetts. We are striving for a diverse membership resulting in environmental stewardship and collaboration of partners and stakeholders with an interest in minimizing future flood risk and damages in the Commonwealth.

Our mission:

The mission of massFM is to create a forum for the exchange and expansion of local knowledge and expertise about floodplain management, to share that knowledge with the public, to inform municipal and statewide policies and procedures, and to improve the Commonwealth's ability to mitigate flood hazards now and in the future.

Our Sponsors:

The growth of massFM relies on partners who provide additional support for the Association and its activities through sponsorship. Sponsorship of massFM is available to any organization, private, public or non-profit.

Corporate or General Sponsors are listed on the website, newsletters and advertising for Association seminars and conferences. Corporate or General sponsors may be eligible for discounts at the discretion of the Board of Directors. Sponsorship does not imply an endorsement by massFM of a particular firm or product.

Corporate Sponsorship is for any corporation or firm involved with insurance, engineering, surveying, consulting, or other floodplain management activities at the following levels of support:

- **Prime sponsorships dues:** \$150 annually, including one individual membership
- **Partner sponsorship dues:** \$250 annually, including two individual memberships
- **Principal sponsorship dues:** \$350 annually, including three individual memberships

General Sponsorship is for public, academic, or private nonprofit groups engaged in disciplines related to the purposes of the Association and its activities.

- **General Sponsorship dues:** \$100 annually, exclusive of individual or student membership
General sponsoring membership is in addition to Individual or Student memberships maintained by members related to such organizations and does not confer upon, or replace, the need for Individual or Student membership(s) for interested persons.

Please contact us if you would like to sponsor massFM at massfloodplain@gmail.com or click [here](#) to pay online.

Modeled after similar organizations throughout the country, massFM is a dedicated 501(c)3 association and pending State Chapter of the Association of State Floodplain Managers. A copy of the massFM IRS tax-exempt document is available upon request.
